In the County Court yesterday the Auditor's Agent was knocked hellwound and crooked in his suit against Mr. Otto G. Callahan, executor of the late David Early. The A. A. started out wrong, so he will have to begin all over again. Otto G. Callahan yesterday qualified as executor of the late David Early, with William Luttrell surety.—Tuesday's Ledger.

The Auditor's Agent says the Ledger editor is crowing too soon; that he has forced Mr. C. to qualify as executor of late David Early, in order to prevent the appointment of an administrator with the will annexed, and that he is now ready to proceed with the suit.

FOR SAFE KEEPING.

Charles Gaskins, Who Killed Young Ryan at Flemingsburg, Lodged in the Maysville Jail.

Chief of Police Donovan returned Tuesday afternoon from Charleston, W. Va., with Charles Gaskins, the negro who is charged with killing young Ryan at Flemingsburg last week.

On account of the strong sentiment against Gaskins at Flemingsburg, it was not thought advisable to take him to that city. Accordingly, his attorney, Mr. Jos. Power, went before Judge Wyatt and waived examination, and Gaskins was ordered committed to the Maysville jail, without bail, to await the next term of the Fleming Circuit Court.

According to his story he concealed himself in a hayloft a day or so after the cutting, and then went to Morehead, thence to Charleston, where he was captured last Friday.

THE CROP OUTLOOK.

Conditions the Past Week Were More Favorable—Wheat Improved—Corn Planting in Progress. Fruit All Right.

[Weekly Bulletin of Weather Bureau.]

The past week was by far the most favorable of the season to the agricultural interests. Warm, dry weather prevailed generally. The farmers were quick to take advantage of this and farm work progressed rapidly.

Corn planting occupied the greater portion of the time, as a great many early planted fields had failed on account of the cold weather and had to be replanted.

Wheat improved steadily and in most localities is in promising condition.

Tobacco plants made a splendid growth; from some localities there are complaints of damage to the plants by cut worms and other insects.

Fruit appears to be in good condition in nearly all portions of the State and the outlook for a large yield is very favorable.

Gardens are looking much better, though still rather backward. Potatoes are coming up. Oats, rye, clover and grass have made a splendid growth.

Rain would now be beneficial, especially in the western portion, where it is becoming quite dry in localities.

"HEART AND SWORD."

This Romantic Comedy to be Given at Opera House To-night.

Mr. Walker Whiteside and his splendid company will give the above romantic comedy at the opera house to-night. Tickets at Nelson's. The State, published at Columbia, S. C., has this to say of the play and the star:

That Mr. Whiteside is an actor whose ability is equal to almost any histrionic venture is too well known to need repetition. He is the ideal of all who enjoy, if not admire, a story of the Prisoner of Zenda sort. A careless, gay, reckless and extravagant young ruler, unmindful of aught save his own pleasure, is suddenly brought to a realization of the serious situation of his principality. The only way to save his kingdom is to marry the princess of the neighboring State, join the two principalities and replete the empty treasury of one from the swelling coffers of the other. Against his will, the prince consents to the marriage, but his better nature having been stirred, he seeks the princess in disguise and of course wins her love, incidentally doing not a few heroic deeds. The rest can be guessed at, for it is easy to foresee that when the princess is confronted with her lover in his true character they will kiss and live happily ever after.

Fought for His Life.

"My father and sister both died of consumption," writes J. T. Weatherwax, of Wyandotte, Mich., "and I was saved from the same frightful fate only by Dr. King's New Discovery. An attack of pneumonia left an obstinate cough and very severe lung trouble, which an excellent doctor could not help, but a few months' use of this wonderful medicine made me as well as ever and I gained much in weight." Infalible for coughs, colds and all throat and lung trouble. Guaranteed bottles 50c. and \$1 at J. Jas. Wood & Son's drug store.

The city Board of Tax Supervisors will convene at Mayor's office May 16th to examine the Assessor's books and equalize the assessment for this year. See notice in this issue.

Ice cream soda at Chenoweth's.

The L. and N.'s earnings show an increase of \$82,039 the fourth week of April.

Miss Dixie Lee Pearce was confirmed in Trinity Episcopal Church, Covington, Sunday.

The C. and O.'s earnings the fourth week in April show an increase of \$43,893. From July 1st, the increase is \$1,716,318.

Hampton Bush, attorney, has bought the Reese House, at Winchester, for \$17,500. This hotel has been run under the same name for thirty-five years and rents for \$2,000 a year.

At Springfield, Ill., Monday, Miss Mary Jane Caldwell, daughter of Congressman Ben F. Caldwell, was married to former Congressman Oscar Turner, of Louisville. Former Congressman June W. Gale, of Owenton, was best man.

South Portsmouth was terrorized Sunday night by a gang of hobos, who drove residents inside their homes. Over a dozen people were held up and robbed. Isaac Huston was terribly beaten up because he resisted the robbers.

Miss Mary Collins, aged eighteen, daughter of Geo. Collins, of Abigail, Robertson County, died last Saturday from blood poisoning, the result of an accident sustained while riding horseback with her brother several days ago.

The country home of former Congressman Thomas Y. Fitzpatrick, near Frankfort, was destroyed by fire, with all its contents. The loss is about \$5,000, with no insurance. Mr. Fitzpatrick had just furnished the house throughout, intending to make his home there.

Col. Baldwin, the pacer, property of W. G. Dearing of Poplar Plains, was shipped yesterday to Cleveland, O., by Alexander & Bro., livermen, where the horse is entered in the 2:33 class, purse \$2,000. He is also entered in the sales that take place in that city on the 20th.

John Meade, aged twenty-eight years, of Boyd County, was dynamiting fish when two sticks of the explosive held in each hand exploded, tearing off both arms, his nose and a part of his jaw and otherwise mutilating his body. He lived until next morning. He was a nephew of ex-Circuit Clerk Meade, of Catlettsburg.

Mrs. Robert Anderson, wife of a prosperous farmer of Nicholas county, committed suicide Saturday night by taking arsenic. It is said that she and her husband have not been getting along well since the marriage of their eldest daughter, some time ago. Anderson was once chastized by the whitescaps for alleged cruelty to his family.

Mr. William Marsh, of Moransburg, reports the birth of a monstrosity on his farm a few days ago in the shape of a calf. It was perfectly developed in every respect, except that its head resembled that of a dog more than the head of a calf. The ears were very small, and back of them was a development or formation of the skin that could be rolled over the head somewhat like a hood.

Arbuckles' Roasted Coffee

Makes more cupfuls of better coffee to the pound than any of its imitations

Is prepared by an individual firm who made their reputation many years ago; who intend to maintain it as long as the people appreciate good, pure coffee, at an honest coffee price. If others imitate Arbuckles' coffee, that's their business; if you prefer an imitation coffee, that's your business. But you'll find that it's economy to pay a cent a pound more for Arbuckles' Ask the grocer for Arbuckles' Roasted Coffee, the original package coffee, and refuse imitations under any other name.

With each package of Arbuckles' Coffee you buy a definite part of some useful article (see list which each package contains). The article is yours whenever you present a certain number of signatures from the wrappers at our Notion Dept. Look for the list.
